FOREWORD

The purpose of this catalog is to introduce you to The Hargrave Military Academy; to show you by word and picture what the school is doing for the boys under its care.

Hargrave Military Academy is a member of the Southern Association of Schools and Colleges, which is the highest standardizing agency for approved Southern schools. Our graduates are admitted to colleges and universities on certificate without examinations and on the same basis as graduates from other preparatory schools of the first rank.

The history of Hargrave Military Academy, a Baptist preparatory school, verifies its slogan, "Making Men—Not Money."

Through the united efforts of Rev. T. Ryland Sanford, then pastor of the Chatham Baptist Church, and his loyal and consecrated friend, J. Hunt Hargrave, Chatham Training School was organized in 1909. In 1925 the name was changed to Hargrave Military Academy.

THE PRESIDENT KEEPS IN INTIMATE CONTACT WITH THE CADETS

COUNSEL AND GUIDANCE

During the school year frequent individual and group conferences are held with the President. Our Guidance Program is directed by the President and the entire faculty. Each student is assigned a faculty advisor to whom he may carry his problems. With the aid of mental and aptitude tests, the guidance committee seeks not only to direct in the academic field but endeavors to advise and stimulate each individual in his leisure activities.

PHILOSOPHY

The secondary school in America exists to aid and to promote in its students the development of those powers, skills, attitudes, and ideals which will enable them to become progressively useful as citizens in the school community, to the end that they may become useful and honorable citizens in a democratic, social, and political order. Its program must, therefore, be so organized and administered as to assist and encourage the individual pupil to acquire, to the extent of his native endowments, the knowledge and experiences that will assure, so far as may be, a personal responsibility for the realization of a well-rounded life in his relationship to society. In scope the program should embrace the mental, moral, physical, social, cultural, and spiritual phases of man's existence.

Hargrave Military Academy, founded by a group of consecrated Christian leaders and developed under the ownership and general control of the Baptist Board of Missions and Education, believes that it is obligated not only to provide for the mental, moral, and physical development of its matriculates, but also to give the spiritual and religious aspects of life a definite place in its program. A proper attitude toward and relationship with the Supreme Being, developed in a non-sectarian atmosphere, with tolerance and good will toward all, are essential to the building of Christian character and leadership. The motto, "Making Men — Not Money," with all that it implies, sums up the philosophy of the school.

The student body of Hargrave Military Academy, which is composed of boys from many social environments, home conditions, and educational backgrounds. may be divided into two main groups: (1) those who enroll for the specific purpose of preparing for higher education; and (2) those who have failed to fit into the educational program of their home communities. It is the duty of the school to provide a program suited to the needs of these distinct groups.

OBJECTIVES

Specifically these objectives may be stated as:

1. To provide a corps of teachers trained to lead in academic and extra curricular explorations, interests and activities calculated to help the student discover his aptitudes and decide what he will do with his life.

2. To maintain a pleasant, homelike atmosphere with proper care for the comfort, diet and general happiness of the student body.

3. To provide, in so far as possible, individual attention both from the educational and personal points of view.

4. To maintain a Military Training program emphasizing physical exercise and the development of such traits as punctuality, obedience, orderliness, respect for constituted authority, reverence for our Flag and National Institutions, a sense of personal responsibility, self-reliance, and leadership, as well as the building of strong, graceful bodies.

5. To provide a sports program which seeks to afford adequate physical training, to promote and develop a true conception and practice of sportsmanship, and to create a spirit of loyalty and cooperation.

6. To provide for faculty-sponsored activities, initiated by the students, and developed in accordance with their recreational, cultural and avocational interests.

7. To maintain a wholesome environment, stress character building and spiritual development both by precept and example.

8. To develop the adolescent youth into a well-rounded being, ready and willing to take his place in society, whatever that place may be.

DIETETICS

The school tables are furnished with an abundance of well-cooked food. The best grade of goods available is purchased and used. We do not attempt to furnish the delicacies and nick-nacks that are found in many homes. Dietitians aver that a good wholesome diet, though perhaps not as pleasing to the boy's appetite as the niceties, is far better for the proper development of a growing boy. To observe the development of a lad while a student here is sufficient proof that he receives the proper nourishment.

MISS MARY MOORE
Assistant Dietitian

The faculty, their families, and students are served at the same tables and with the same food. This, in addition to assuring the patrons that their sons are properly fed, helps to develop that intimate relationship between faculty and students, which has ever been the policy of the management of Hargrave Military Academy.

HEALTH

In selecting a school, parents always think of the location, climate, etc. They want the health of their sons to be carefully safeguarded. Chatham has an excellent health record. The climate is temperate, winters are only moderately cold, and there are not many days in which a boy cannot take some form of outdoor exercise.

It would be difficult to find a school with a better health record. This record is due largely to our climate, pure air and water, excellent sanitary provisions, regular habits, wholesome diet, and the careful supervision of the cadets. Cadets are urged to report immediately any indisposition to the school nurse or physician.

The medical fee insures adequate nursing in minor sickness, usual remedies and medicines, and physician's services. In case of extreme illness, when trained nurses are needed, or expensive antitoxins are necessary, the parents or guardians bear the expenses. These are exceptions and rarely occur.

In case of serious illness parents will be notified immediately.

LIBRARY

MISS GEORGIA MAE CREWS
B. A., University of Richmond
B. S. in L. S., University of North Carolina

The Academy Library, conveniently located on the first floor and in the north wing of the main building, is readily accessible to classrooms and dormitories. This bright and spacious reading room provides for cadets and faculty a pleasant center for recreational reading, reference work, and study during the morning, afternoon, and evening hours. The collection of 2600 volumes includes standard and up-to-date reference, and recreational reading in both fiction and non-fiction. A large selection of current magazines and newspapers is one of the most popular features of the Library.

Cadets are encouraged in their individual reading interests, and with guidance are lead to improve their tastes for good literature, and to develop an appreciation of the values and pleasures of good reading. A course in "How to Use the Library" is offered as part of the English program, and is required of all students scheduled for library attendance. Students who have reading problems are advised to participate in the Remedial Reading work, a course designed to correct weaknesses and improve skills in reading.

DORMITORIES

The buildings, having been remodeled within the past few years, offer pleasant homes for the faculty and student body. The second and third floors of each building are used for dormitories. A professor is located in a central place on each floor. The school furnishes each room with beds, mattresses, chiffonier, table, and chairs. All bedrooms are easily accessible to fire escapes. Toilets, showers, and lavatories are provided on each dormitory hall.

ASSIGNMENT OF ROOMS

Rooms are assigned as students matriculate. Great care is exercised in the selection of roommates. The President reserves the right to use his judgment in changing students' rooms and roommates whenever he thinks best.

CLASS HISTORY

'Twas only four short years ago
In '42, if you would know,
Our class embarked on its career
By entering its Freshman year—
A band of eager, restless youth
Who'd never cut a wisdom tooth,
But recognized as gospel truth
The ancient prep-school students' creed
That learning's road is hard indeed.
'Twould take too long for me to tell
The strange adventures that befell
Our gallant class ere we attained
The lofty heights that now we've gained.

The Faculty were most forebearing;
Although they must have found us wearing,
They never acted autocratic,
But always very diplomatic.
Though treating us with hopeful kindness,
They never to a fault showed blindness.

Though some regard all games as futile
And think athletics merely brutal—
A test of brawn and not of brain—
Our teams the victor's cups retain.
Upon the field no boasting rival
Had faintest chance for his survival;
For when the tigers used our system,
No enemy could e'er resist 'em!
And yet our teams have proved to be
The essence of integrity.

In any learned competition
Which tests the pow'rs of concentration
We've proved our brains to be the best
And treat with scorn an I. Q. test.
Yet, we'll not pass o'er this occasion
But tell the worst without evasion.
Some lazy members of our class
Were much alarmed lest they'd not pass.
Why, even yet they stop and wonder
If there has been some awful blunder.
It doesn't pay to be a shirker;
If you'd succeed, be a willing worker.

Our social life was very vital
And worth a place in this recital:
Our dances each a great event
To which the school's elite all went;
Our concert fraught with gifts surprising
And talent quite beyond surmising;
Our banquet, food and fancy blended,
By far the best the boys attended.

When Sabre Club troubles caused distress,
Our president, with great finesse,
Just called an extra meeting. Then
He told us what to do and when
And which and who was on whose side.
To him—smart boy!—we point with pride.

We're cultured, really most polite,
Though prone amongst ourselves to fight,
And for our higher education
Move on to a new location.
Our store of knowledge is so great
We fear lest we confuse it;
If we can live no other way
I guess we'll have to use it.
We have, although a trifle checkered,
A most extraordinary record.

Now comes the longed-for gala day.
The auditorium, in full array,
Is crowded with spectators fair;
Sunday-go-to-meetin' clothes they wear;
And up front, seated side by side,
Behold our class, aglow with pride,
But sad at leaving this dear place
Where they sojourned a little space
And hoping life will be as kind
As these four years they've left behind!

Oh, Class of 1946,
Look down from your celestial vision,
Assure me that you don't infer
These lines were spoken in derision:
I know that you are wise and good,
Abhorring falsehood, sloth, and pride—
That wisdom is your daily food
And justice ever is your guide.

But if you think my style amiss,
Nor care for Histories like this;
Or if the audience—much worse—
Be weary of my straggling verse,
I give to you most promptly these,
My most sincere apologies.

COURSES OF STUDY

The curriculum at Hargrave Military Academy is based on the standard college entrance requirements as maintained in the best colleges and universities. The Academy is accredited by the Virginia State Board of Public Education and is a fully accredited member of the Southern Association of Colleges and Secondary Schools.

Graduates who merit college recommendations are admitted to colleges and universities on certificate. A cadet desiring to enter a particular college or university should plan his course of study to meet the specified entrance requirements of that institution.

In order to assure proper classification of a new cadet, an official transcript of his record from the last school attended is required. This transcript should accompany the application or follow as soon as possible.

A cadet who enters for his Senior year's work or as a Post-Graduate and meets other requirements will be granted a diploma upon the completion of four major units, one of which must be fourth year English. A "unit" represents a prescribed subject successfully studied for 36 weeks, 5 days per week, one hour per day.

Cadets are not allowed to change classes without the written permission of the Academic Dean.

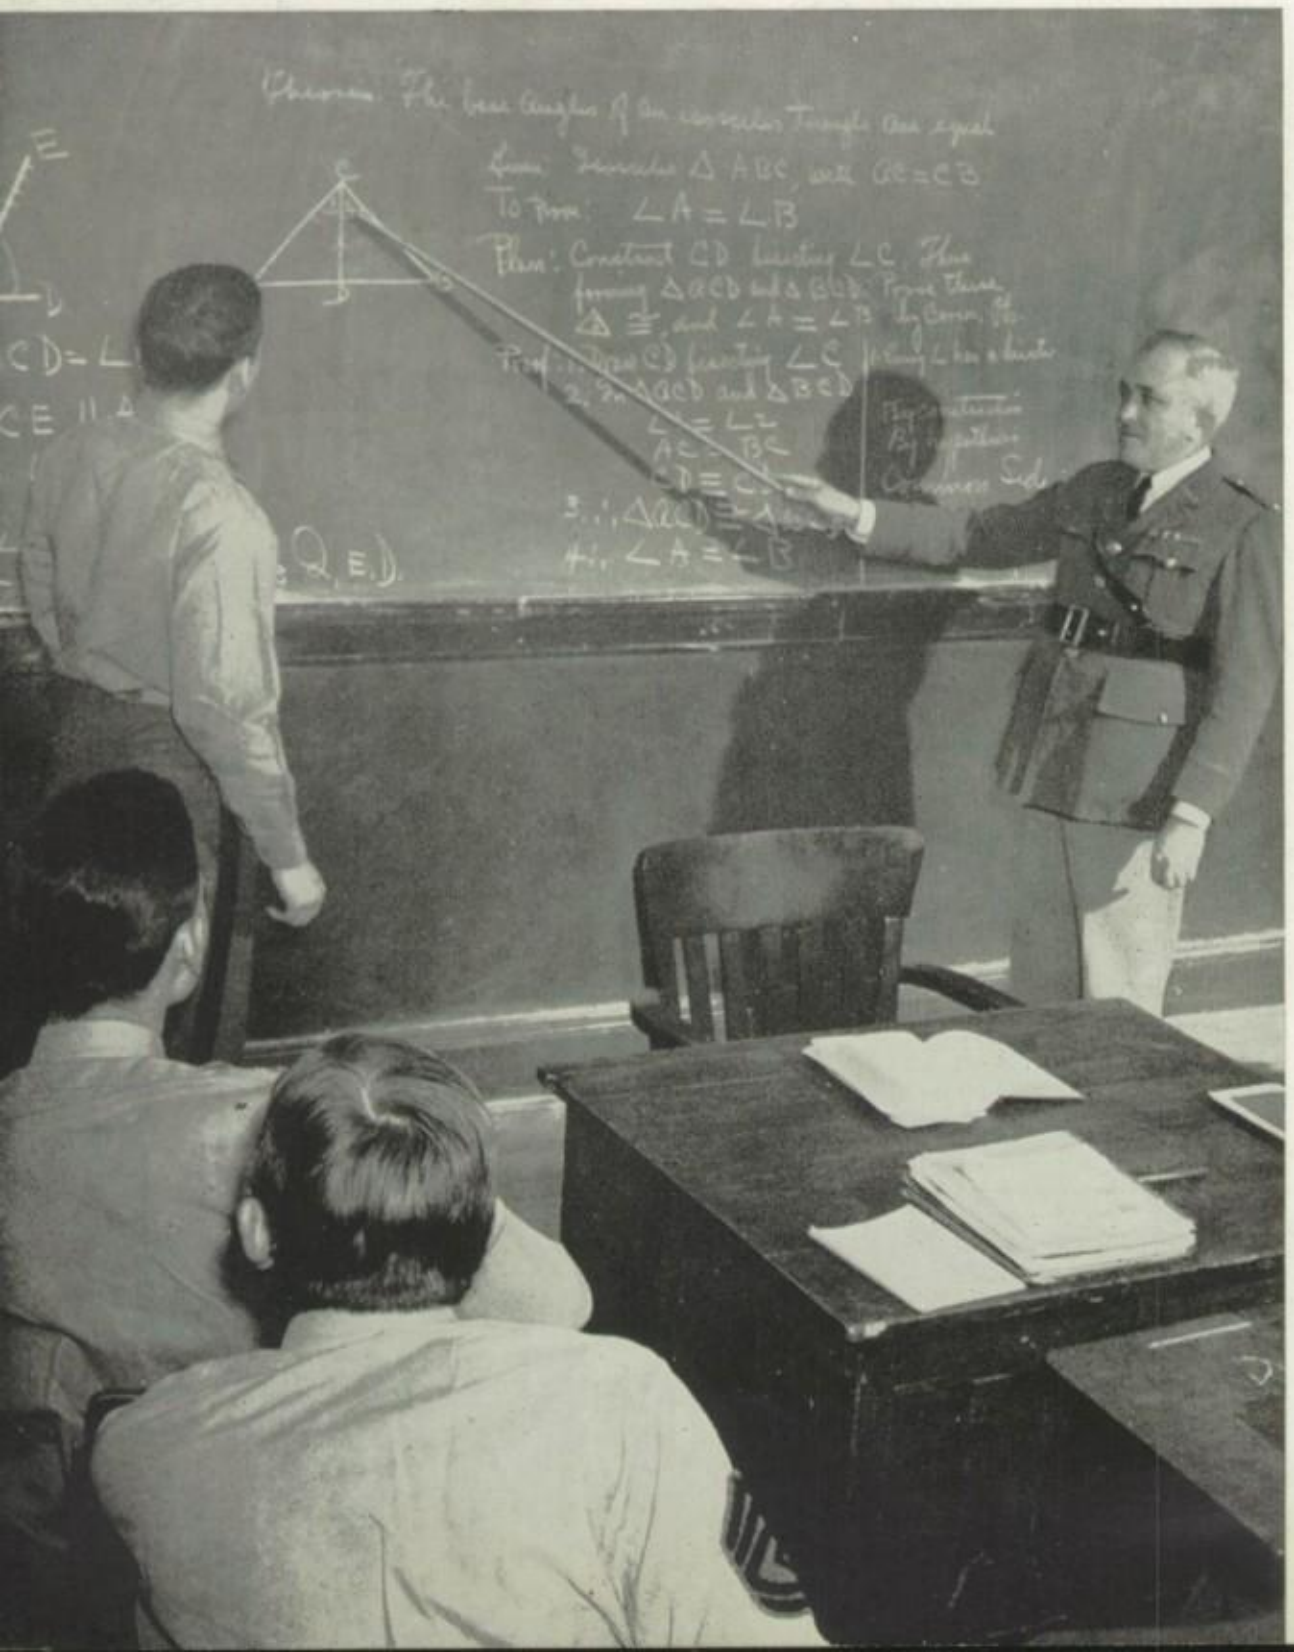
The Classes Are Divided Into Sections Which Average Twelve Members, Insuring Personal Attention for Each Student



PHYSICS SECTION OF THE SCIENTIFIC LABORATORY
Modernly Equipped for Experiments in General Science, Biology, Chemistry, and Physics

METHOD OF INSTRUCTION

The principle of thoroughness is kept ever in mind. No sacrifice of this is made in the attempt to accomplish a prescribed amount of work.

At the close of recitation periods, helpful explanations of assignments for the next day are made.

The Instructors are always glad to give individual assistance at vacant periods.

Frequent written tests are held to enable the instructors to keep more closely in touch with each member of his class and to help those who need it.

Parents are urged not to cause their sons to miss a single recitation, for it makes a weak place in the educational program. The idea of work being made up is preposterous. A boy may obtain sufficient knowledge to pass on certain work that he has missed in class, but his education is weakened just in proportion to his absence from class.

Each student is expected to have four one-hour recitation periods each day, and no one is allowed to have fewer than three, or more than five.

SPELLING

No department of the school receives more careful attention than this highly important subject. Daily recitation is required in all the forms.

COMMERCIAL DEPARTMENT

Our Commercial Department seeks to accommodate an ever-increasing demand for business training. Efficient instructors have been engaged and adequate equipment provided. This department is a business community—securing definite and lasting results in young men—training them in keen thinking and strict business methods.

EXAMINATIONS

Examinations are given at the end of each term, and the grades made on these are averaged with the monthly grades to get the session standing, provided no examination grade is below "E."

Tests are given each month, from which, with the daily recitation grades, the monthly grades are compiled.

REPORTS

At the end of each month a report giving the academic standing of each student will be mailed to his parent or guardian.

PROMOTIONS

At the end of the academic year each graduate will receive a certificate of promotion specifying the courses in which he has earned a passing grade. The following grading system has been adopted: A, 95-100: B, 88-94: C, 81-87: D, 75-80: E, 60-74 (Conditional): F, 0-59 (Failure). Our passing grade is D. An average grade of C will be required for college certification.

TRANSCRIPTS

Every student is entitled to one official transcript of his work, provided all accounts with the school are satisfactorily arranged. Those requesting additional transcripts should enclose a dollar for this service.

TO PARENTS

It is the aim of this school to train boys in mind, morals and manners. Discipline, sometimes strict, is ever necessary in the management of every successful school. Parents may not understand, in every case, why their sons cannot do this, or why they must do that. The President and Faculty are giving their time, experience, and work in seeking to do what is best for boys under their charge. We share the depth and purity of a parent's love and anxiety. This fact is ever considered in all that is done, and we earnestly ask the co-operation of all parents in seeking to make the school life of their sons profitable in every possible way. We are doing all in our power to train and prepare boys for the duties and responsibilities of life, whether they attend college or enter their life's work on leaving here; to cultivate their minds, their hearts and their health; and to build up in each an earnest, well-rounded Christian character.

A SAFE PLACE FOR THE BOY

In thinking of a school for their boys parents most frequently ask: "Is it a safe place for my boy?" It is the first aim of the Hargrave Military Academy to train the boys intrusted to its keeping in character and life. Christian education is ever uppermost in our minds. We are deeply interested in the education of the heart as well as the mind. Every professor is a Christian gentleman who takes time and pains to instruct the boys under his care in the way of right and honorable living. The people of Chatham are a Christian people and are interested in the welfare of the cadets. At the school we always have a large number of students well trained in Christian virtues who are willing and anxious to help the newcomer. There are no questionable places of amusement, no city temptations to which the boys may be subjected. The moral tone of the school and the town is high. Students coming here will enter an atmosphere well calculated to make their lives better and their purposes in life more firmly fixed in the way of right and truth.

WHEN TO ENTER

Many parents make a great mistake in waiting too long to put their boys in a good school. The boy who usually makes the most progress and to whom the school means the most is the boy who enters early in life. Parents should look carefully into the record of the school and know of the school's ability to train the boy in the proper way, and then unhesitatingly place the boy under the care of the school early in life.

HOW LONG TO REMAIN

Parents should enroll their boys with the intention of keeping them in school until the *Co rse of Study* is completed. Sometimes this will mean a great sacrifice on the part of the parent, but it will be of the greatest possible benefit to the boy.

HAZING

Hazing is a violation of the laws of the State of Virginia. Any type of physical punishment, humiliation, or intimidation of one student by another or others is classed as hazing and is not tolerated.

SCHOLARSHIPS

A scholarship carrying free tuition is offered to approved students by each of the following institutions:

University of Richmond..... Richmond, Va.
University of Virginia..... University, Va.

THE JUNIOR SCHOOL

About twenty years ago the school administration began seriously considering the increasing need of enlargement to meet the requests of parents for boarding schools prepared to train boys of elementary school age, 10 through 14 years. The Hargrave Junior School was organized as a separate department in 1925 and a fire-proof building was completed in 1929.

IMPORTANCE OF JUNIOR SCHOOL TRAINING

The modern American home frequently requires the service of either a boarding school or a school with a specialized program of training for 12 to 14 year-old boys. Junior school students at Hargrave are given every advantage of this program at the age when boys are most responsive to habit and character training. Their needs are being met by limiting the size of classes to an average of twelve to fifteen pupils, by providing continuous supervision of all activities, and by insuring close contact with faculty and staff members of excellent Christian character who supervise the complete training of these cadets. Evidence that this program has met with success is in part borne out by the fact that during the past session many former junior school boys were enrolled in the senior school.

MODERN JUNIOR SCHOOL BUILDING

The Hargrave junior school building is new and modern in every respect. It provides living quarters for fifty elementary school cadets (only two boys in a room), two masters, the housemother, and other faculty and staff members, and contains class rooms for the sixth through the eighth grades, reception rooms, and social and recreational facilities for this department. Each dormitory room is furnished with chairs, tables, single beds, clothes closets, and a lavatory.

JUNIOR SCHOOL FACULTY AND STAFF

Headmasters—The headmaster is responsible for the disciplinary training of these younger boys. We strive for strict military discipline administered in the spirit of kindness and understanding. The approach to the problems of each cadet is through friendly counseling by a man who lives with these younger boys.

Teachers—Throughout the history of this department the school has used special care in the selection of teachers who are prepared for boarding school grade work. These teachers supervise the night study of junior school boys and conduct afternoon school for those deficient in their studies.

Housemother—Parents need not suffer any uneasiness in sending their young sons to us. In addition to the competent Masters, who direct these boys, there is a kind-hearted and sympathetic Housemother. Her duty is to make life pleasant and home-like for them. She also cares for their clothing and mending, and is in a definite way a mother to the boys.

CLUBS AND ORGANIZATIONS

Non-Commissioned Officers Club—Twelve cadets in this department are each year given ratings of corporals and sergeants and are trained for efficient leadership among junior school boys.

Student Senate—This organization is composed of five junior cadets who are selected to assist in promoting good citizenship in response to the regulations of the school.

Glee Club—All junior students are encouraged to tryout for places in this organization which meets twice each week for practice.

Literary Society—The Junior Literary Society trains the grade school boys in elementary expression and platform appearance through dramatics, readings, declamations, and debate. All grade classes participate in this work.

Religious Organizations—Cadets in this department attend Sunday School on the campus and morning worship services at Chatham churches. These cadets organize and conduct, under the supervision of older cadets, an evening vesper program for the Junior Department. Sunday School and vesper program literature is provided by the school. Each cadet is encouraged to participate in the lesson discussion and to take part in the vesper program.

POLICY AND PROGRAM

An adequate recreational and athletic program is as important to the young as to the older cadet. The school believes that wholesome athletic competition, properly organized and supervised, not only serves as a safe and effective means of physical training, but also instills early in the youth a true spirit of sportsmanship, cooperation and loyalty. Our coaching staff provides a full-time coach for the "Tiger Cubs" in all major sports. The training stresses fundamentals of the game, with maximum consideration given to the welfare of the boy. For each sport a schedule of interscholastic games is arranged with opponents representing teams of the same age and size.

As in varsity athletics the regular tuition fee entitles each member of the Junior Department to participate in and enjoy his favorite sport.

MILITARY DEPARTMENT

INTRODUCTION

During the period of the World War I in order to cooperate in every possible way with the Government, and upon the request of many loyal supporters and patrons of Hargrave Military Academy, the authorities introduced Military Training. The Academy has been placed under Section 55c, National Defense Act, by the United States government, which authorizes the Academy to requisition all necessary military equipment, firearms, ammunition, etc., needed for successful operation of the military department, from the United States Army.

Since our national laws require that every male citizen above the age of eighteen years must serve in the army or navy in time of war, this training of the boy is regarded as imperative. It simply means that should he be called for military service at any time during his life he will be better prepared than the ordinary high school student for advancement in grade in whatever service he may desire to enter.

The cadet, moreover, derives benefits from this training which are of incalculable value to him in after life, whether or not he is ever required to serve in the army.

PURPOSE OF MILITARY DEPARTMENT

The aim of Hargrave Military Academy has always been to provide a homelike school for those boys who are intrusted to its care for instruction. Other schools have sought to emphasize Military Training at the expense of homelike influence. Hargrave Military Academy seeks to combine these two desirable features.

The military training imparted here is of the very highest order and includes the most advanced and modern methods. The splendid record of the Hargrave Military Academy Cadet Corps is a matter of deep pride to all loyal supporters of the school. We strive at all times for perfection in the execution of all military duties, but our main endeavors in applying our system of military training to growing boys is to develop in them, at their most impressionable age, habits of punctuality, obedience, orderliness, respect for constituted authority, reverence for our National institutions, a sense of personal responsibility and self-reliance, and to build up strong, graceful bodies, alert minds, an erect carriage and manly bearing.

This is accomplished without in any way interfering with the parental, homelike relations of the student body and the school authorities. A member of the faculty lives in each dormitory, and is always available for consultation by the students on any personal matters and to supervise his moral welfare.

It must be emphasized that there is nothing in this military training which seeks to build up a militaristic spirit in the boy.

UNWRITTEN RULES AT HARGRAVE

Some of the things which a cadet at H. M. A. is taught and required to do.

Be a gentleman.
Be just and fair with his associates.
Lead a clean life.
Tell the truth.

CADET PRAYER

"O God, our Father, Thou searcher of men's hearts, help us to draw near to Thee in sincerity and truth. May our religion be filled with gladness and may our worship of Thee be natural. Strengthen and increase our admiration for honest dealing and clean thinking, and suffer not our hatred of hypocrisy and pretense ever to diminish. Encourage us in our endeavor to live above the common level of life. Make us choose the harder right instead of the easier wrong, and never to be content with a half truth when the whole can be won. Endow us with courage that is born of loyalty to all that is noble and worthy, that scorns to compromise with vice and injustice and knows no fear when truth and right are in jeopardy. Guard us against flippancy and irreverence in the sacred things of life. Grant us new ties of friendship and new opportunities of service. Kindle our hearts in fellowship with those of a cheerful countenance and soften our hearts with sympathy for those who sorrow and suffer. May we find genuine pleasure in clean and wholesome mirth and feel inherent disgust for all coarse-minded humor. Help us, in our work and in our play, to keep ourselves physically strong, mentally awake, and morally straight, that we may the better maintain the honor of the corps untarnished and unsullied and acquit ourselves like men in our effort to realize the ideal of Hargrave in doing our duty to Thee and to our country. All of which we ask in the name of the Great Friend and Master of men.—Amen."

MAJOR CULLEN P. BROOKS.....*Tennis Coach*

The school believes in giving its students adequate athletic and recreational programs. Included in the facilities and equipment are two gymnasiums with ample space for indoor floor and table games, dressing rooms, individual lockers and showers, two athletic fields with grounds for football, baseball, softball, and all track events, tennis courts and an outdoor swimming pool. It is our desire that every Hargrave cadet will participate in major sport of his own choosing. We believe that fair and difficult competition in the sports program will greatly benefit the stamina and morale of each participant.

INTERSCHOLASTIC ATHLETICS

Our teams rank high among those of the Preparatory Schools of Virginia and neighboring states. While we have made an excellent record in our interscholastic contests, our primary purpose is not to win games. It is our desire to promote and develop the true spirit of good sportsmanship, to afford efficient training for safe, enjoyable, and successful competition with other teams, and to create the vital school spirit of loyalty and cooperation.

No one is allowed to represent the school on any athletic team except regular bona fide students. Our policy is to win athletic honors, not to buy them. We believe that the boy who pays for his schooling is justly entitled to the honor and benefit arising from membership on the school teams. Boys who come to Hargrave will not compete with professional or semi-professional athletes on our teams.

The athletic fee which is included in the regular charges entitles each student to compete for positions on the various teams, and to free admission to all home games.

INTRAMURAL ATHLETICS

While we make provision for students to participate in interscholastic contests, we realize that only a limited number of boys can be used on these teams. Therefore, the school affords ample opportunity for each cadet who cannot make varsity teams to engage in intramural sports. We emphasize the importance of all students participating in some part of our athletic program.

Not only do these intramural games create interest and stimulate morale in the Cadet Corps, but they also develop material for our varsity teams. Several teams are organized for each sport. Practically every cadet can participate in basketball, softball, tennis, and swimming.

HARGRAVE MINISTERIAL COUNCIL

The Hargrave Ministerial Council is composed of those students who have made definite decisions to study for the Christian ministry. In some instances young men have made this decision before entering Hargrave. However, a majority of our ministerial students reach that decision while under the influence of the school.

The Ministerial Council meets each week for discussions and studies relating to preparation for definite Christian service. The purpose of the organization as stated in its Constitution is "To promote better Christian fellowship among students for the ministry, to stimulate Christian ideals within the student body and to help prepare members of the organization for service in the Christian ministry."

BOY SCOUT TROOP NUMBER 68

Cadets who have been Scouts at home have the opportunity of continuing their Scout activities here without interruption. The Scout troop is one of the most popular organizations on the campus. The action which Scouting affords appeals to the boy's impulse to be doing something. This year Troop 68, although a new troop, has attracted the attention of the whole council. Enough trees have been cut to construct a Scout cabin. This work will be brought to completion next fall. Scouting is definitely a part of Hargrave.

The Musketeer is the official monthly newspaper of Hargrave Military Academy. It is written, edited, and published by the cadets under the guidance and sponsorship of the journalism instructor and faculty advisor of publications. It was first published in 1922. Since then it has continued to be a vital influence in reflecting the activities of the Academy and stimulating proper school spirit and cooperation.

Because of its standard of journalistic writing, *The Musketeer* has been accepted into membership of the Nation's three outstanding journalistic societies—National Scholastic Press Association, Quill and Scroll, and Columbia Scholastic Press Association.

The school paper is the ideal activity for all students interested in journalism and newspaper writing.

General Information

LOCATION

Hargrave Military Academy is located at Chatham, a picturesque old Virginia town in the foothills of the Blue Ridge Mountains, on the main line of the Southern Railway and United States Highway 29, twenty miles north of Danville, Virginia, and fifty miles south of Lynchburg. Situated in the rolling Piedmont country at an altitude of eight hundred feet, Chatham possesses a healthful environment without extremes of temperature. The school occupies a hill over-looking the town and surrounding countryside.

EDUCATIONAL CONFERENCES AND LECTURES

It is not only the purpose of Hargrave Military Academy to instil into its cadets the fundamentals of Christian education, but also to help them decide in what vocation their talents give the best promise of success. A vital question with every young man is, "What shall be my life's work?" This decided, he can specialize in those subjects which will be of most value to him in his chosen field.

In order to be of special service to those cadets who have not solved this problem, Hargrave Military Academy sponsors every year an educational conference, which brings cadets in contact with noted educators from leading universities. At these conferences inspiring lectures are delivered to public audiences, and private conferences are held for the benefit of the cadets.

From time to time Hargrave Military Academy brings to Chatham outstanding men of the different professions. Cadet attendance is unusally compulsory. These lectures are not only educational, but they also create in the boy a desire to choose something definite in life and to apply himself toward the attainment of that aim.

In keeping with its program of improvement and enlargement of physical equipment, the Academy has recently purchased a highly modernized 16-mm. movie projector. The machine is constructed for showing both silent and sound movies, or it can be used to project silent movies with sound effects. Both the projector and loud speaker are designed to be used in either a small classroom or in the auditorium which seats 400 people. The projector is very useful in our program of visual education.

LEAVE OF ABSENCE

We earnestly request patrons not to ask that their sons be allowed to absent themselves from school on any school day. One day lost frequently retards the progress of the student. Then, too, it is unfair to the other students who want to make all possible progress in their work. The school has always been opposed to unauthorized or extensive leaves of absence and we urgently request our patrons not to infringe upon this rule. An appropriate program is planned each year for Thanksgiving, consequently, no leaves of absence will be granted at this time. Experience has taught that frequent visits home retard the progress of the students.

Each cadet will receive two leaves of absence during the school year, one in the month of November and the other in March.

DISCIPLINE

The government of the school is in the hands of the President and his assistants. Very much is left to the student's honor. This school, however, is not a reformatory. Each student will be treated as a gentleman at all times, and if he is unwilling to live up to this standard he cannot remain in this institution. The discipline will be parental and home-like. The President and instructors mingle with the students in a spirit of helpful friendship, believing that the characters of the young are developed through the influence of well-chosen companionship. Intimate acquaintance with every student will be cultivated in order to meet, as far as possible, the peculiarities and needs of each.

RELIGIOUS ADVANTAGES

The Academy is pre-eminently Christian. Students are taught that the true aim of each should be to become a Christian. Although the academy is operated under the auspices of the Baptist denomination it is not sectarian. In addition to the Baptist Church a cadet may attend either of the following: Methodist, Presbyterian, Christian or Episcopal. While church attendance is compulsory each high school student is allowed to choose one of the above as his church home while attending Hargrave Military Academy.

CHAPEL

Short devotional services are held each morning in the beautiful Academy Auditorium. The President, members of the faculty and visiting speakers make brief and practical talks at this service. We consider this part of our daily schedule very important and profoundly beneficial in the training of youth.

MINISTERIAL STUDENTS

The Academy is glad to have young men who expect to become ministers of the Gospel. Ministerial students should file with their application an endorsement from the church of which they are members and must satisfy the President that they are in earnest as to the choice of their life's work.

The rate for ministerial students this session will be $550.00. Sons of ministers are granted scholarships of $100.00.

SMOKING

We are distinctly against the use of tobacco—in any form—and we consider it harmful, especially to growing boys. Experience has taught us that the most stringent regulations absolutely forbidding its use, not only does not stop it, but also cannot be enforced. Such regulations have a tendency to make the student deceptive and encourages him to lie when questioned about it. Some parents have tried in vain to stop their sons from smoking, and yet expect school authorities to correct a habit that they have allowed to develop. All that we can hope to do is to make our regulations so strong that no one will acquire the habit while here. No boy under 15 years of age will be allowed to smoke under any circumstance.

ILLNESS

Our medical and nurse's fee is included in the Academic budget and covers all charges for physician and nurse for a school year except in case of protracted illness, for chronic diseases or for disease contracted away from Hargrave Military Academy. In such cases or when a special nurse or special medical or surgical attention is needed, a bill will be rendered direct to the parents.

BOOKS

Text books and stationery may be secured from our book store. These articles may be charged to a cadet's account, monthly statements being rendered.

LAUNDRY

Since the cost of laundry is included in the financial budget, it is wise to enumerate what will be considered as one week's laundry. It is as follows: 2 sheets, 1 pillowcase, 4 shirts, 1 suit of pajamas, 2 suits of underwear, 4 pairs of socks, 4 towels, and 6 handkerchiefs. *Excess will be charged to the cadet.* It is required that garments be marked with name tapes. It is especially important to place tapes on each sock, each item of underclothing, and on towels and washcloths. Cadets should bring extra tapes for clothing purchased at the school. We will not be responsible for any clothing not properly marked.

CLEANING AND PRESSING

Since cleaning and pressing is included in the budget, we deem it wise to state that each cadet is allowed 7 garments cleaned and pressed per month. We have found this to be ample for the average boy. Any excess will be charged to the cadet.

DAMAGE AND BREAKAGE

Each cadet will be held responsible for damage to his own room and to the school property.

SPENDING MONEY

We do not encourage boys to be spendthrifts, therefore, parents are urged to co-operate with us by allowing their sons a limited amount each week. One to two dollars per week is ample. Should parents desire the school to handle their son's weekly allowance a deposit must be made in the office. A student bank has been installed for this purpose. Make spending money checks payable to H. M. A. Student Fund, as this is not handled through our general accounts.

SUNDAY LETTER

Each Cadet is required to write a letter home every Sunday. The mailing of this letter is checked by the officer in charge in order that you may be certain to receive at least one letter from your son each week.

ACCIDENT INSURANCE

The Indemnity Insurance Company of North America insures Cadets against accidents at the cost of $10.00 per school year. This protection is effective from the time the cadet leaves home in September until he returns in June. It includes accidents sustained at school, including all sports, on vacation and while traveling between school and home. The maximum amount of coverage including x-ray, hospitalization and doctors' bills, is $250.00. While this is excellent protection for every Cadet, we especially recommend it to those who participate in any form of athletics.

Financial Matters

SUPERIOR ADVANTAGES AT MODERATE COST

The chief matters of consideration which generally enter into the selection of a school are the location, material equipment, faculty, the ideals, and the cost. In former paragraphs we have endeavored to present our numerous advantages. The cost is as small as consistent with first class advantages. A thorough investigation will convince that Hargrave Military Academy offers as much of real merit as any school of similar grade in the State, and at less cost.

UNIFORM EXPENSE

The uniform worn by Hargrave Military Academy cadets is made of the finest "Charlottesville Cloth" from the Charlottesville Woolen Mills and should not be confused with the cheaper cadet greys. The coat is of Semi-English style. The trousers are made from extra heavy material. The entire uniform is so constructed as to endure hard service and still maintain a dressy appearance.

Some patrons make the error of including the price of uniforms when counting the cost of sending their sons away to school. This is a mistake; the cost of uniform should not be added to school expense any more than the cost of clothes during the summer. Furthermore, in figuring the cost of uniform it should be borne in mind that much of the uniform lasts through a number of years. Conservative patrons testify to the economy of the uniform.

The uniform includes the following articles:

Required

(Must be purchased through the Academy)

Blouse	$ 29.00
2 Pair Trousers @ $16.00	32.00
6 Grey (Burton Irish Poplin) Shirts	21.00
1 Dress Hat	4.00
1 Belt (web)	.50
2 Ties	1.50
Cross Guns and Insignia	2.50
Overseas Cap	2.25
1 Cadet Grey Sweater (Slipover v-neck)	8.00
1 Cadet Grey Jacket	14.00
White Equipment—Belts, Buckles, Cap Cover, Gloves	2.90
Overcoat	40.00
1 Army Blanket	6.00
1 Pair Coveralls	4.50
Total	$168.25

If one desires he may purchase secondhand garments and thus effect a material saving. This is only possible when a cadet can be fitted from our used garments, which have been thoroughly reconditioned and remodeled.

The Uniform Is Strictly Cash

Our contracts for the above articles of uniform are subject to Wartime restrictions and regulations, both as to delivery and cost. Due to ever changing conditions beyond our control it may be necessary to adjust the above equipment and prices.

MISCELLANEOUS

Certain "extras" are not common to all pupils and therefore, are not included in the regular charges shown above. A table of these charges is given below.

Private lessons in Piano and use of Piano (school year)	$ 50.00
Private lessons in Stringed, Wind and Reed Instruments	50.00
Laboratory Fee (Scientific Courses)	5.00
Diploma (Graduates)	5.00
Use of Typewriter	10.00
Board and Room for Christmas Holidays	25.00

No authoritative statement of units of credit will be granted a student until his accounts have been satisfactorily settled.

The management reserves the right to withhold the diploma from any graduating student until his accounts have been settled in full.

The Academy will not be responsible for any property left by a departing student.

Do not send checks by Cadets, as they often carry these in their pockets until a statement is sent to patron. This is embarrassing both to the management and to the patron. Send checks by mail to Hargrave Military Academy, Chatham, Va.

THE SUMMER SESSION

JUNE 9—AUGUST 16

The summer session will run for a period of ten weeks to conform to the standard summer schools of normal schools and colleges. By taking a double period in 2 classes a student may obtain 2 unit credits on new work.

Boys will be required to attend meals and classes regularly and promptly. Each boy will be required to devote sufficient time to study each day. However, the military rules and regulations are not enforced during the summer session. Sufficient time for swimming, tennis, baseball, hiking, etc., will be available. Camping parties to near-by points of interest can be arranged over the week-end. Boys will room in a dormitory under supervision of an instructor and will be required to keep their own rooms in order.

Total expenses, including board, room, tuition, etc., $225.00. If a science course is desired a laboratory fee of $5.00 will be charged. All expenses are payable on entrance.

WITHDRAWALS

Students are not accepted for a shorter time than one annual session, or from the time they enter until the close of that school year. Contracts are for the session. Should a student desert, or be dismissed, or withdraw for any reason, except in the case of illness, no rebate will be due on money already paid, but, on the other hand, any unpaid balance of the regular fixed charges will immediately become due and payable. We consider this fair for two reasons: First, because our number of rooms for cadets is limited; second, because a cadet who deserts or acts so as to cause himself to be dismissed damages the school more than the amount of charges payable.

The only exception to the above is in a case of protracted illness. When the school physician certifies that a cadet should not continue in school, a refund of the fixed charges will be prorated from the time of the withdrawal until the close of the session.

If it becomes necessary to dismiss a foreign student from the Academy, he will be turned over to the nearest consular representative of his country, and the expenses incurred in doing so will be charged to the boy's account.

TESTIMONIALS AND REFERENCES

In sending you the enclosed check in payment of Robert's tuition, I am reminded that this will be the last of such checks which I have sent to you during the five-year period that Robert has been at Hargrave (including one year in the Junior School).

Let me, therefore, take this opportunity of sincerely thanking you and the members of your staff for the courtesies accorded during the last five years, and to express my sincere appreciation for what Hargrave has meant to my son. I have been continually reminded of your slogan "making men—not money" in watching Robert's progress and you certainly are to be commended upon the find education which you afford the youths attending your Academy.

With all good wishes for your further continued success.

Very cordially yours,
Kirk A. Landon
Miami, Florida

My visit to Hargrave was a most enjoyable one. I deeply appreciate the time you gave me Saturday morning when I know you were very busy and were not expecting me. I was very pleased to find Harvey in such capable hands and also to see his enthusiasm for Hargrave. It didn't take long to reach the conclusion of how much the constructive supervision, discipline, and training at Hargrave will mean to the boys when they reach college age, or find themselves ready to earn a living.

Sincerely,
HARVEY T. CASBARIAN,
Washington, D. C.

I do want you to know how very pleased we are with the improvement in Bob just since September, under your fine guidance and the atmosphere of Hargrave.

When Bob arrived for the Christmas holidays, he looked splendid, was more responsive than he has ever been and the best evidence of his happiness with you, was that he really looked forward to going back in January. I am looking forward eagerly to the opportunity of visiting Hargrave this Spring.

Gratefully yours,
LOUISE W. PRESCOTT,
Westhampton Beach, N. Y.

Jack is developing into a speciman of a fine young man in your care, and I don't hesitate to place the credit where the credit is due.

BEULAH E. BOWDEN,
Richmond, Va.

Mr. Twisdale and I are so happy to write and thank you and your faculty for the progress James is making in his studies and military work. We were thrilled to learn of his promotions and we are sure his success is due to Hargrave. Your interest in him is deeply appreciated.

Sincerely,
MRS. J. R. TWISDALE,
Halifax, N. C.

Mr. Gammill and I are so proud of Ronald's grades for last month. With the exception of English he has made a wonderful improvement. He says it is very hard for him, but that you have helped him so much and have given him a lot of extra time. He appreciates it and we cannot express in words how much we appreciate what you have done for him.

Ronald looked grand at Christmas time, and seems to be so happy at Hargrave. We were so pleasantly surprised at the change that just three months had made in him. The things he talked about, the music he wanted to listen to, the enthusiasm he showed for different things was proof of the ideals and standards taught at Hargrave. The loyalty he showed for H. M. A. after such a short time was amusing. If all mothers knew, as I do, the Christian ideals and the high standards that are taught there—well, Hargrave just wouldn't be large enough to take care of all adolescent boys.

IRA GAMMILL,
New Orleans, La.

Joe is leaving at 11:00 a. m. tomorrow and should reach Chatham at 5:18 p. m. Wednesday. We have enjoyed this vacation season with him, and are pleased with every attitude, reaction, and interest which he has shown. He is very proud that he is a member of the Hargrave Cadet Corps.

His report card came today. His face beamed when he saw the words "Honor Roll." I am particularly pleased with his A in Military Discipline and with his "Good Conduct" honor bar. If he continues to receive A's in this part of his work, he will undoubtedly do creditable work in his studies and extra-curricular activities.

REV. AND MRS. L. W. BENEDICT,
Louisville, Kentucky.

We want to express our deep appreciation for the kindness, courtesy, and cooperation shown us by each member of your staff during our visit. The cadets, we had the pleasure of meeting, were very courteous, and I can readily understand why schools like Hargrave are vital factors in the development of sterling character.

Mrs. Brown and I have missed our son very much during the past few weeks but we are reconciled by the knowledge that the wholesome environment of Hargrave will produce a foundation for success in his later life.

My son was very much impressed with Hargrave and seemed very anxious to prove he is proud to wear the uniform of a cadet at Hargrave Military Academy.

Again I want to express my appreciation for the excellent cooperation received during our visit and sincerely hope my son shows the spirit that we have found at Hargrave.

Yours truly,
WALLACE E. BROWN,
Huntington, West Va.

Please let me take this opportunity to thank you for all the fine things which you and your institution have done for my son, Stuart.

He is happy and perfectly satisfied there and we, at home, think he has been greatly benefited by his association with your faculty and student-body. Stuart and we appreciate all the chances which he has to develop into a strong and good man. I hope I will have an opportunity some day to thank you personally.

Very respectfully yours,

MRS. LAURA CUSHMAN,
Portsmouth, Va.

We have been very well satisfied with the progress both boys have made and have not regretted our decision to take them out of the local high school, or our choice of a school.

MRS. J. M. BLOXOM,
Mappsville, Va.

We are very much pleased with the improvement we can see in Harold, and we do appreciate what you and the teachers there are doing for him.

MRS. J. H. MATHEWS,
Leesburg, Florida.

Minor was home, as you know, for Easter and he was looking fine. In my judgment, you, your excellent staff of teachers, and others associated with you and the management of H. M. A. have done a most excellent job in the development of Minor, although I am conscious that he is still far from perfect. Accordingly, I have no regrets because I transferred him to your school in 1939, and in speaking to my friends about Hargrave I have not hesitated to praise your activities as being most acceptable to me.

Most sincerely,

C. D. MINOR,
150 William Street,
New York City.

I am enclosing check for the balance due and addressing my letter to you, because it gives me the opportunity to tell you how pleased I am with Richard's progress in Hargrave. I want to thank you too, for the way you have kept his clothing bill down. I keep looking forward to visiting Hargrave.

Most sincerely,

MRS. MARY HOBBS WHITEMAN,
New York City.

I am sorry that conditions have arisen that caused a change in my plans to send Henry back to Hargrave for post graduate work this fall, and I wish to assure you that I feel that Hargrave is one of the best schools in the country.

H. G. ROLLINS,
Avondale, N. C.

We certainly are very pleased with Val's work and attitude this year. You have a grand school and we do appreciate the interest you and the faculty have taken in him. He is enjoying his work and seems so proud and loyal to his school.

We are planning on sending him to either University of Connecticut or University of Pennsylvania. He wishes to take Business Administration, but if you think he should do otherwise I wish you would advise him, as you are in a position to judge his work.

Thanking you for your kindness,

Respectfully yours,

MRS. MARY A. LOPER,
Fairfield, Connecticut.

I am very grateful to be able to write and thank you for the medal that you presented to my son at your Commencement Exercises. Billy has enjoyed this past year in your school and everyone has noticed the improvement in him. I regret that I didn't send him to your school several years ago.

Very sincerely yours,

MRS. RUTH JENKINS,
Aliquippa, Pennsylvania.

Everyone is remarking about the change for the better in Van, guess I will have to give Hargrave the credit. I am so pleased with his improvement.

Very truly yours,

MRS. MARY F. MOORE,
New Bern, N. C.

We were glad to receive Franklin's report and note that his average grades had improved. We are still pleased with our selection of Preparatory School and are glad to have Franklin in your hands.

Sincerely yours,

C. W. HOPKINS,
Charlotte, N. C.

The close of school, and Nevin's stay in Chatham, draws near and I feel rather sad when I think of it. These five years have meant so much to him, and to me, in the shaping of his future life. Thanks to the fine training in everything that he has received under your able care. I am glad to say that I feel sure that he is a gentleman and a student, and I hope will go on to be a credit to the profession he is choosing.

Nevin has a Bulletin from Wake Forest with an application blank, some parts of which are to be filled out at school, and I will appreciate it if you will see that he attends to it as soon as time permits.

I expect to be in Chatham for graduation, and although I know I cannot find words to express my deep appreciation to you and your corps, I shall try when I see you then.

Very sincerely yours,

MARY L. K. ACTON,
Atlantic City, N. J.
